Total Non-Hubs	\$ 10,431,991,276/92.5%	\$ 11,688,048,694/93.0%	\$ 12,319,421,620/92.5%	\$ 6,251,153,951/91.5%

Stats source: State of Texas HUB Reporting.

National Economic Investment of Blacks in 2007

United States: \$ 845 billion

Texas: \$ 63 billion

Source: The Multicultural Economy: Minority Buying Power in the New Century 2007, Jeffrey M. Humphreys
 Terry College of Business, University of Georgia

Blacks appear to pay more in taxes than contracts awarded them by the State of Texas.
